## Town Warrant

---

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of New Castle, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said New Castle, on Tuesday, the fourteenth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To hear the reports of agents, officers and others heretofore chosen, and to pass any vote in relation thereto.

2. To choose all necessary town officers for the year ensuing.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriation for the same.

4. To see if the town will authorize the selectmen to incur temporary loans in anticipation of taxes upon the credit of the town.

5. To see if the town will vote to allow a discount on taxes paid within a limited time, and to fix the amount of such discount and the date or dates when the same shall be allowed.

6. To see if the town will vote to authorize the use of the Town Hall for the purpose of playing basketball by citizens of the town and their guests.

7. To see if the town will vote to raise and appropriate the sum of \$64.00 to be used to promote its interests, resources, and advantages through the issuance of publicity material in conjunction with other towns in the vicinity working together in the Seacoast Regional Development Association.

8. To see if the town will vote to establish a capital reserve fund for the purpose of making repairs and improvements to the Town Hall, and to make appropriation therefor, pursuant to chapter 160 of the Laws of 1943.

9. To see if the town will vote to transfer to a capital reserve fund for the purpose of making repairs and improvements to the town hall from its unencumbered surplus funds any definite sum of money.

10. To see if the town will vote to place street lights in River View Road, so-called, and to establish the number and to raise and appropriate the necessary sum of money therefor.

11. To see if the town will vote to purchase a motor truck to be used by the highway department, health department and general public uses of the town, and to raise and appropriate the necessary sum therefor.

To transact any other business that may lawfully come before said meeting.

The polls for the election of town officers are to open at 10:00 in the forenoon and may not be closed before 3:00 in the afternoon.

Given under our hands and seals this twenty-sixth day of February, in the year of our Lord, one thousand nine hundred and forty-four.

## School Warrant

---

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of New Castle qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1944, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
8. To see if the district will vote to petition the State Tax Commission to have an audit made by the municipal accounting division, and to make an appropriation to cover the expense of such audit.

Given under our hands at said New Castle this  
24th day of February, 1944,

HENRY M. CUSKLEY,  
RICHARD E. POOLE,

## Report of the Superintendent of Schools

---

To the School Board of New Castle:

I herewith submit to you my fourteenth annual report as Superintendent of your schools.

I am including the statistical report of the last completed school year, the enrollment by grades of the current fall term, the school census, roll of honor for attendance and the name of pupils attending the Portsmouth schools. The report of the school nurse will also appear.

In the intermediate grades this year we were fortunate in securing the services of Miss Christine Janetos, an experienced teacher and a graduate of Plymouth Teachers' College. It is my belief that she is carrying ahead the good work of her predecessor, Miss Lidback.

The work of Miss Trefethen, in the lower grades, is too well and too favorably known to us all to need comment. As long as she is connected with our schools we shall know that our children are getting a start in school life which will give them the correct attitude toward work and an understanding teacher to assist them in their studies and befriend them in their little problems.

Mrs. Sheehy's report is included herewith. Health is one of the Seven Cardinal Principles of Education. She is the guardian of this branch of school service. I am sure her faithfulness is appreciated by all citizens with whom she comes into contact. Mrs. Poore continues as director of the music in New Castle. The Rhythm Band is but one branch of music activity. This band is well known and is an inspiration to all who hear it. The parents must be proud of their children when they see them participating in this group.

Because of the war effort we are asked to stress arithmetic and geography. In the New Castle school we have introduced a test drilling the four fundamentals of arithmetic and simple fractions. These tests are to be repeated a number of times through the year and in this way the progress made by the pupil is evident.

In the field of geography the war has definitely made a change. Economic geography takes a large step to the forefront. Economics is defined as the "material means of satisfying human desires." With food rationing and the impossibility of getting many of what we used to consider the essentials of living the pupil has a practical demonstration of the importance of geography.

The registration for War Ration Book four was entrusted to the teachers. With the valued help of a number of citizens of New Castle this service was carefully and accurately rendered. Two hundred and seven applications were filled out with five hundred and fifty books distributed.

Our sixth grade graduates continue to do commendable work in Portsmouth Junior High School. During the first two marking periods of this year (the only marks received to this date) 178 marks were earned by our pupils in the present grade seven. Of this total but thirteen marks were below passing. The average of all ranks is eighty-two per cent. We hope and expect that next year's graduating class will do as well.

The teachers and pupils of New Castle are doing a wonderful job in the selling and buying of war bonds and stamps. They have raised the total of \$607.05 from the opening of school in September, 1943, to January first, 1944. The following table is by months:

September:		
Bonds,	\$181 25	
Stamps,		\$37 90
October:		
Bonds,	68 75	
Stamps,		37 60

December:		
Bonds,	118 75	
Stamps,		54 85
	<hr/>	<hr/>
	\$418 75	\$188 30

Once again I wish to express my thanks to you as a Board for helpful guidance in the work of preparing our pupils for higher grades in school and in preparation for life's later activities.

Respectfully submitted,

ROY W. GILLMORE,  
Superintendent of Schools.

February 10, 1944.

## Report of School Nurse

---

To the School Board of New Castle:

Following are the health activities carried on in the New Castle school from January first, 1943, to January first, 1944.

Most of the follow-up work and corrective work following the 1942 physical examinations were done during the winter and spring terms of 1943. A toxoid clinic, given to prevent children from having diphtheria was held in the Town Hall. This clinic was sponsored by the State Board of Health. Twenty-eight children were inoculated which leaves only two children in the school who are not immunized against this disease. All children are vaccinated against small pox. All children should be immunized against these diseases when very small children and long before coming to school. Twenty-four children had complete dental care by their family dentist and five children had part dental treatment. Two children had their glasses changed. One child had her eyes examined and received glasses. Two children had tonsillectomies performed.

Number of children examined in 1943,	38
Number of children found to have defective vision,	5
Number of children found to be underweight,	2
Number of children weighed and measured,	38
Number of children found to have defective hearing,	1

All children are weighed and measured three times each year, fall winter and spring. Home visits are

made in homes where children fail to gain in weight or when there is any loss of weight.

There has not been any serious illness in the school this year. All children go home for a hot lunch at noon which helps to keep them in good health.

Bi-monthly visits were made in the school. Special visits were made for scarlet fever case and toxoid clinic.

I wish to take this opportunity to thank our Superintendent, Mr. Gillmore, the School Board, teachers and parents for their cooperation and help with my work.

Respectfully submitted,

ELOISE B. SHEEHY, R. N.

## Home Food Production

---

Patriotism, prudence and protection of health combine to urge that in 1944 every family produce and preserve for home consumption as much of the family's yearly food supply as possible. Home food production will assure our own food supply, will release more foods for the armed forces and lend-lease, will help meet the national goals, and will relieve transportation, labor and equipment shortages.

To help families with their plans for food production and preservation at home, the University of New Hampshire Extension Service lists the following free bulletins for your use:

## STATE OF NEW HAMPSHIRE

## Tax Commission

Concord, April 5, 1943

Oliver W. Marvin, Chairman  
Board of Selectmen  
New Castle, N. H.

Dear Mr. Marvin:

This will introduce Mr. Louis C. Chesley, a member of the State Tax Commission, and Mr. Arthur L. Fitch, our chief appraiser. I believe you already know Mr. Fitch, but I doubt if you have met Mr. Chesley.

We have had several complaints in regard to valuations in New Castle, and it occurred to us that it might be of some help to you and a source of satisfaction to your townspeople if the town were revalued at this time. Mr. Chesley and Mr. Fitch are quite willing to give you all assistance possible.

Yours very truly,

JOHN G. MARSTON,

Secretary.

STATE OF NEW HAMPSHIRE

Tax Commission

Concord, April 19, 1943

Oliver W. Marvin, Chairman  
Board of Selectmen  
New Castle, N. H.

Dear Mr. Marvin:

I reply to your letter of the 17th instant, and I think there is no doubt as to the authority of the Tax Commission to revalue a town, and that the valuation found by our appraiser must stand for this year unless some errors have been made. In that case, a change can only be made by a notice to this department, when a re-examination of the property will be made.

The re-appraisal in New Castle was made because of complaints of inequities, and the revaluation has shown that these complaints were justified.

Yours very truly,

JOHN G. MARSTON,

Secretary.

## DIVISION OF MUNICIPAL ACCOUNTING

## STATE TAX COMMISSION

Concord, New Hampshire

October 19, 1943

Board of Selectmen  
New Castle, New Hampshire

Gentlemen:

In accordance with the vote taken at your annual town meeting in March, 1943, an audit and examination of the accounts of the Town of New Castle has been made by the Division of Municipal Accounting of the State Tax Commission, a report of which is submitted herewith. This audit covered the fiscal year ended January 31, 1943, and the current year from February 1st to September 6th, 1943. Schedules as hereafter listed are included as part of the report.

## SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds and Water Department.

## FINANCES

In order to present a comprehensive picture of the financial condition of the town during the last ten years and the changes which have occurred in this period, certain statements have been prepared from reports on file in this office and will be referred to in the comments which follow.

## Indebtedness, Valuation and Taxes: (Schedule A)

The assessed valuation of taxable property increased and the local tax rate remained well below the average rate for the whole state during the ten-year period. It is interesting to note that the average rate for the state in the current year, 1943, of \$3.03 per \$100, was a little more than twice as high as the local rate of \$1.50. The return of income from the interest and dividends tax to the town amounting to approximately one-half of the total income from taxation and one-third of the total income from all sources, is a material factor in keeping the tax rate at a low level.

The Net Surplus of the town increased by approximately \$9,000 in the last ten years and, as of January 31, 1943, there remained out-

standing \$1,500 in water bonds out of the original issue of \$5,000 in 1934.

#### Estimated and Actual Revenues

#### Appropriations and Expenditures: (Schedules C and D)

Comparative statements of estimated and actual revenues; appropriations and expenditures for the fiscal year ended January 31, 1943, are presented in detail in these schedules. A net unexpended balance of appropriations of \$1,926.30, and an excess of actual over-estimated revenues of \$298.65, resulted in a net budget surplus for the year of \$2,224.95.

### ACCOUNTS OF SELECTMEN AND TREASURER

#### (Schedules E and F)

Vouchers issued by the selectmen during the period under review were compared with the treasurer's cancelled checks and found to be in agreement therewith. Supporting invoices and payrolls were likewise examined. Receipts were checked by source insofar as it was possible to do so. Totals of receipts and expenditures were verified and the treasurer's cash book balance as of September 6, 1943, was in agreement with the reconciled bank balance of like date.

### TAX COLLECTOR

The accounts of the tax collector for the levies of 1941, 1942, and 1943, were audited and balanced as of September 10, 1943. Summaries of the collector's warrants for these years are presented in Schedules G, H and I, respectively. A statement of the collector's cash on hand, as of September 10, 1943, is included in Schedule J, and remittances by the collector to the treasurer are shown in detail in Schedule K.

It is noted that on the date of audit, September 10, 1943, there was on deposit in the collector's account at the New Hampshire National Bank of Portsmouth, the sum of \$9,173.99. This represented tax collections as follows:

Levy of 1943,	\$7,173.46
Levy of 1942,	1,834.46
Levy of 1941,	166.07
	<hr/>
	\$9,173.99

Under date of September 18, 1943, the above amounts were remitted by the collector to the treasurer. However, it is indicated by

Schedule K that only one remittance was made between January 31, 1943, and August 30, 1943, this being a remittance of \$2,152.15, which was made on the latter date.

Attention is therefore called to the provisions of Chapter 59, Section 31, of the Revised Laws of New Hampshire, relating to the duties of tax collectors, which reads in part as follows:

**"31. Duties of Collector.** Every collector of taxes shall keep in suitable books provided for the purpose a fair and correct account in detail of the taxes due, collected, and abated, and of all property sold for non-payment of taxes; and these accounts shall be public records. The collector shall, on the first Saturday of every month, pay to the town treasurer all money collected by him up to that time."

In accordance with the foregoing it is recommended that the tax collector conform to the law by adopting and adhering to the following practises:

(1) Monthly remittances to the treasurer of all funds collected up to the date of remittance.

(2) Recording of all tax collections and redemptions from tax sales in a cash book, preferably the loose leaf collector's columnar cash book prescribed by this Division.

(3) Keeping an accurate and detailed record of tax sales and redemptions therefrom in the standard book provided for this purpose which is designated as the "Record of Tax Sales."

The Balance Sheet of the Town of New Castle, as of January 31, 1943, indicated uncollected taxes on that date as follows:

Levy of 1942,	\$2,886.85
Levy of 1941,	394.84
Levy of 1940,	464.07
Previous Years,	3,564.04
	<hr/>
	\$7,309.80

We were unable to determine what the item indicated as "Previous Years—\$3,564.04," consisted of as there were no records to support this amount. It is recommended therefore that detailed and accurate lists of all uncollected and unredeemed taxes be made up by the collector in order that the next Balance Sheet will include only such amounts of uncollected and unredeemed taxes as are properly supported by actual lists.

The collector should furthermore keep entirely separate his "tax warrant" and "tax sales" accounts. This may be accomplished by keeping the "Record of Tax Sales" book previously referred to in this report and by properly identifying remittances to the treasurer on account of "tax sales redeemed" as distinguished from "taxes collected" on his warrant.

Immediately following the tax sale each year a voucher, order and check should be issued to the tax collector for the amount of taxes bought by the town, including the actual amount of all taxes sold plus interest at 10% from December 1st to date of the sale. The collector can then credit each individual account in his warrant book and charge against each account the proper amount of interest. The check which he receives for the tax sale may then be endorsed by him and remitted to the treasurer on account of "taxes and interest collected."

A second voucher, order and check would then be issued to the collector to compensate him for his fees, costs and expenses incident to the sale which the law provides for.

#### TOWN CLERK

Motor vehicle permits and dog licenses issued by the town clerk during the period of audit were examined. All funds received on account of the issuance of such permits and licenses were properly accounted for through remittances to the treasurer and cash on hand.

In connection with our examination of the motor vehicle permit account it was learned that a considerable number of privately owned cars, belonging to officers and men of the armed forces of the U. S. A., stationed in New Castle, for several years had been exempted from the statutory requirement of paying the local permit fee before registration of the car by the State of New Hampshire could be obtained. This situation had apparently developed as the result of a ruling from the State Motor Vehicle Commissioner, made some time ago, to the effect that the owners of such cars were not required to pay the local permit fee inasmuch as they lived within an area belonging to the federal government and were not therefore considered to be residents of the town.

However, the present Commissioner of Motor Vehicles, the Acting Attorney-General and the Tax Commission are in agreement that the owners of motor vehicles, as herein described, are subject to the payment of the local permit fee and the Commissioner of Motor Vehicles has furthermore ruled that exemptions covering such cases will no longer be granted by his office.

This decision is based on the interpretation of Sections 16 and 26, Chapter 116 of the Revised Laws of New Hampshire, which are quoted herewith:

**"16. Required.** No motor vehicle owned or controlled by a resident of this state shall be registered under the provisions of this chapter until the owner or person controlling the same has obtained a permit for registration from the city or town wherein he resides. This section shall not apply to motor vehicles which constitute stock in trade of a manufacturer or of a bona fide dealer."

**"26. Non-resident Owner.** The term resident, as used in this subdivision, shall apply to persons who have a regular place of abode or business in this state for at least six months in the calendar year. No exemption from the payment of a permit fee shall be granted by reason of non-residence except by the commissioner, who shall in all cases require proof satisfactory to him of residence elsewhere, and of the liability of a non-resident owner, otherwise entitled to such exemption, to pay a property tax on his motor vehicle for the current year in the state of his residence."

### TRUST FUNDS

The records of the trustees of trust funds for the fiscal year ended January 31, 1943, were examined. Principal and unexpended income as shown by the trust fund records was accounted for by the inspection of the various savings bank books covering the individual funds.

### WATER DEPARTMENT

Examination was made of the accounts of the treasurer of the Water Department. The balance on hand, as of August 31, 1943, as indicated by the treasurer's cash book, was in agreement with the balance on deposit in the First National Bank of Portsmouth as verified. In addition the funds on deposit in the Piscataqua Savings Bank and the Portsmouth Savings Bank were accounted for by inspection of pass books.

### GENERAL COMMENTS

With exceptions as herein noted the accounts of all town officials were found in good condition and the accounting procedure conformed to the uniform system prescribed by this Division.

In accordance with the provisions of Section 31, Chapter 211, of the Laws of 1939, this report or a summary of its essential features should be published in the next annual town report. This letter of

transmittal should be included in its entirety, but the inclusion of schedules is optional.

We extend our thanks to the officials of the town of New Castle for the assistance rendered and information furnished while we were engaged in making this audit.

Yours very truly,

HAROLD G. FOWLER, Director,

Division of Municipal Accounting,  
State Tax Commission.

FRANK W. MORRILL,

HARRY G. HAGER,

RALPH F. SEAVEY,
